DENZA B8 LUXURY DMO SUPER HYBRID SUV

**Luxury
Without
Limits**

The **DENZA B8** redefines the off-road experience. It's **2.0T DMO Super Hybrid** powertrain backed by confidence-inspiring front* and rear mechanical differential locks – engineered for those who go further. Inside, soft-closing doors and Nappa* leather massaging seats create a calm, crafted sanctuary. With a choice of a versatile 7-seat configuration or 6-seat* layout with two centre row captain's chair with ventilated & massage functions. With vehicle-to-load capability transforming the B8 into a mobile power source, and a Devialet® sound system that immerses the senses, the **DENZA B8** turns exploration into a distinctly refined experience.

*Available on DENZA B8 Premium model

Crafted For Every Journey

**2.0T DMO (Dual Mode Off-Road)
Super Hybrid**

ACCELERATION
4.8 SECONDS
0-100 km/h

DMO SUPER HYBRID
450 kW/760 Nm
POWER & TORQUE

COMBINED RANGE
1,040 KM*

DRIVING TYPE
4WD

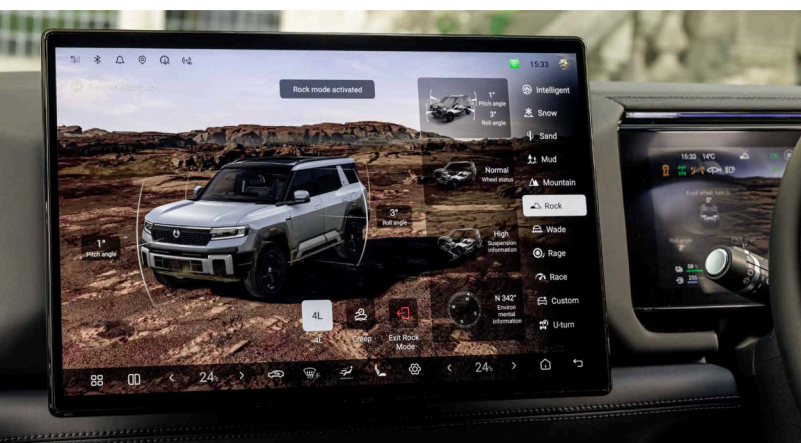

*NEDC Cycle

Triple Power, Perfectly Balanced

With up to 115 km* of pure electric range and a combined range of up to 1,040 km*, the system supports everything from daily commuting to long-distance travel and off-road exploration.

Operating modes such as Pure EV, HEV Series and Parallel mode work seamlessly in the background, adjusting power delivery based on driving demand delivering effortless power, and exceptional fuel economy.

*NEDC Cycle

The DENZA B8 comes with 16 selectable drive modes.

Daily Drive Modes:

Comfort, Eco & Sport

Terrain Modes:

Snow Mode, Sand Mode, Mud Mode, Mountain Mode, Rock Mode, Intelligent Mode, Creep Mode, Wading Mode, Sport+ Mode, Custom Mode, Burst Mode, Climbing Mode, Tug-of-War Mode, L Function, Leopard Turn

Power Without Limits

DiSUS-P Intelligent Hydraulic
Body Control Suspension

Chassis Intelligence That Redefines Control with DiSUS-P Intelligent Hydraulic Body Control Suspension

Supported by the **DiSUS-P Intelligent Hydraulic Body Control Suspension**, offering up to 140 mm of suspension adjustment travel, the vehicle can automatically self-level when detecting rear load for enhanced stability and comfort.

With DiSUS-P Hydraulic Body Control Suspension, the maximum approach and departure angles reach up to 34° and 35° respectively, and wading depth of up to 890 mm - up from 800 mm at its standard ride height.

The system actively responds to uneven surfaces, rapid direction changes and varying driving conditions by managing suspension behaviour and body movement dynamically. Instead of fixed drive modes, it continuously adjusts based on speed, terrain and vehicle dynamics, helping maintain stability and comfort with minimal disruption inside the cabin.

Bold In Every Environment

Strong proportions, sculpted lines, and signature lighting create a commanding presence wherever the journey leads.

From urban landscapes to off-road terrain, the **DENZA B8** balances sophistication with rugged capability.

Starship Wing-inspired
LED headlight

Integrated side steps with
bold off-road character

20-inch alloy wheels
with gunmetal finish

Comfort, Everywhere You Go

Dual 50 W ventilated wireless charging port

First Class finished interior. A gear lever that rises to your hand like magic, soft and yielding materials everywhere you look.

Power Adjustable Seats

The DENZA B8 embraces you with intricately adjustable Nappa* leather seats, complete with massage, heating, and ventilation functions for exceptional comfort on every journey.

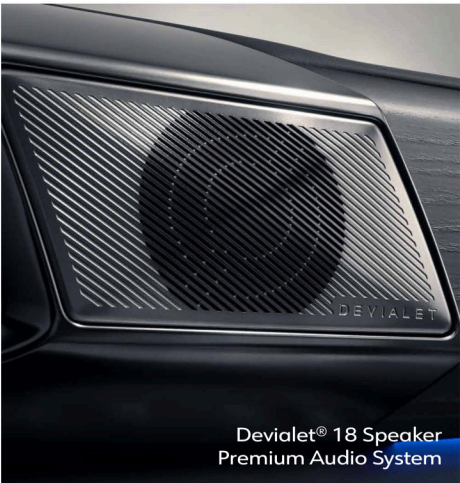

Electric tilting/sliding panoramic sunroof with electric sunshade

Panoramic sunroof opens the cabin to natural light, creating a greater sense of space and connection to every journey.

*Available on DENZA B8 Premium model
